

## Behavior & Training Support

The Santa Fe Animal Shelter Training Team offers support services to help you and your dog or cat. Whether you are just starting on your training journey or need help with a behavior challenge, we offer guidance and resources through a variety of services.

### Online Dog Training Classes

Our online dog training curriculums teach basic manners, like attention, sit, settle, come, and leash walking skills. Learn about safe socialization practices in our Puppy Life Skills Class, and build the foundation for clear communication in our Essential Life Skills Class.

Classes are held online until further notice, which offers the benefit of distraction-free learning and real-time coaching with our trainers. Read more details and register for an upcoming class by visiting our website: <https://sfhumanesociety.org/group-training-classes/>.

### Behavior Helpline

Parenting a dog or cat comes with its share of ups and downs. Be proactive in asking for help by reaching out sooner rather than later. Our trainers are available to discuss your situation and determine the best next steps for you and your family. We offer online behavior consultations until further notice, so that you can get the help you need as soon as possible.

To get started, please complete the Online Behavior Questionnaire: <https://bit.ly/2ScPWVQ>. You may also email us at [training@sfhumanesociety.org](mailto:training@sfhumanesociety.org) or leave us a message at (505) 983-4309 x 1251. *Please note that our trainers aim for a response time of 48 hours, but responses vary depending on client demand.*
